NO KNOWN SIDE EFFECTS

GASTRIX™

GASTRIX™ is a unique vitamin/botanical/mineral liquid supplement formulated and clinically studied to help promote a healthy stomach and digestive system in the horse.

GASTRIX™ is Veterinarian tested and endorsed. It is also the most cost effective product that promotes a healthy hindgut as well as foregut. Many of your client's horses can benefit from improvement in gastric health, but not all clients can afford the expense of traditional measures. GASTRIX™ is an excellent product by which you can help your clients and their horses digestive health without major expense.

Dr. Phillips;

"I scoped twelve hundred horses. After thirty days on Gastrix, ninety percent displayed healthy digestive systems. After forty five days, ninety five percent had healthy digestive systems!"

AZOTUR-X™

STOPS tying up for 28 days.

Can be used as prevention or treatment.

AZOTUR-X™ is a high potency B-vitamin complex supplement formulated with added herbal ingredients to support healthy muscle function.

AZOTUR-X™ is formulated with all natural herbal ingredients with absolutely no side effects. It will not test positive in any race or show jurisdiction. The B-Vitamin complex formula promotes healthy muscles and metabolism.

APPLE-X™

- APPLE-X™ is a concentrated blend of salts.
- NO sugars, NO fillers, NO preservatives, NO artificial colors.
- Complete source of Electrolytes and Trace Minerals: Na, K, Ca, Mg, Zn, Mn, Fe, Cu, and Co.
- Proper ratio of cation components.
- Helps keep your Client's horses well hydrated under all levels of performance.
- Economical; APPLE-X™ is the best value for your clients.
- Formulated with a unique apple flavoring that horses like.
- The only electrolyte on the market that is balanced for electrolyte loss in both the sweat and urine.

LIVATROPE®

Helping keep horses healthy from the inside out! Liver problems exist which is why we are the pioneers of a natural remedy for equine liver health.

LIVATROPE® Supplement supports a healthy liver in the horse. It is indicated in horses with elevated liver enzymes.

Dr. Carl E. Juul Nielson, DVM

"I have used Livatrope® for many different types of horses with liver issues. In thoroughbred racehorses, sport horses, and especially in geriatric cases, we see a demonstrable reduction in AST/SGT in horses within 30 days. It is easy for our clients to administer, palatable for the horse and affordable."

HEMATOCRIT®

Clinically proven to build iron levels (blood counts) which increase energy and stamina without making the horse nervous!

- Easy to feed liquid.
- Promotes healthy blood counts.
- Contains copper, cobalt, and biotin.

Dr. Mark Phillips;

"Hematocrit is the only blood-building supplement that show a healthy change in blood test parameters."

BEFORE

AFTER

COUGH EASE™

Veterinarian tested and used for decades

Cough ease™ is all-natural and can be used regularly prior to racing and other strenuous events; it will not test. COUGH EASE™ works fast without Clenbuterol. Highest quality ingredients in COUGH EASE™ include: Menthol (natural, from Mentha Piperita), Oil of Eucalyptus (natural, from Eucalyptus Globulus), Lemon Juice (Citrus limon), Aloe Vera, Apple Cider Vinegar, Dark Honey, and Ethyl Alcohol. Menthol is known to be useful as a mild local anesthetic and antiseptic (Merck Manual), and eucalyptus as a natural expectorant.

HORSES THAT BREATHE BETTER PERFORM BETTER!

REPOSE™

AN AID IN MINOR NERVOUSNESS

Repose is a fast-acting one-shot oral paste that promotes healthy nerve function and a sense of relaxation and mental alertness without drowsiness. Supplied in a convenient oral syringe. Can be used as an aid in the prevention of minor nervousness during times of stress. Contains Vitamin B1, Calcium and Magnesium. This product does not contain tryptophan and will not make horses "dopey".

- Settles and focuses horses.
- Works in one hour, lasts up to 4 hours.
- WILL NOT TEST. CONTAINS NO PROHIBITED SUBSTANCES.

BUTE-LIKE™ POULTICE

BUTE LIKE™ Poultrice is the most potent equine poultrice.

Includes the natural ingredients of Arnica Montana, White Willow, Turmeric Root Powder, Methyl Salicylate, Lemon Balm Oil, Magnesium Sulfate (Epsom Salts) and Methylsulfonylmethane (MSM). This product is easy to apply and remove, it is cost effective and is an aid in the temporary relief of minor stiffness and soreness due to overexertion in horse's legs and feet. BUTE LIKE™ Poultrice will not scurf or blister when used as directed and is gentle enough for daily use. Can also be used as a hoof packing.

SEE A DIFFERENCE IN 1 DAY.

BUTE-LIKE™ GEL LINIMENT

Bute-Like™ Gel liniment is a blend of essential oils and botanicals, including Arnica Montana, MSM, White Willow, Yerba mate, Methyl Salicylate among others, in a cooling gel base.

- Gives quick relief where it's needed.
- Can be used before or after workouts.
- Use anywhere on the horse, even under wraps or saddle pads.
- Will not scurf or blister.

BUTE-LIKE™ SUPPLEMENT

- Gentle, safe relief.
- See a difference in 10 days.
- Soundness in 30 days.
- Safe for all horses, every day.
- Daily feed supplement.
- Easy-to-dose botanical suspension.
- Will not cause gastric upset.
- Safe for long-term use.
- Good for everyday training horses

ALSO AVAILABLE IN PASTE FORM FOR CONVENIENCE

BUTE-LIKE™ PASTE

- Rapid powerful relief that lasts up to 6 hours.

PASSING GEAR PLUS™

Passing Gear Plus™ is a daily liquid supplement recommended to maintain healthy energy levels and faster recovery times throughout training, showing, racing and other strenuous events.

- A daily supplement that keeps ATP Levels high with ribose to help ensure available power for strenuous exercise and faster recovery times.
- Additional Important Ingredients Include: Vitamin B12, Coenzyme Q10, Chinese Red Ginseng, Tart Cherry, Gamma Oryzanol
- Veterinarian researched – contains no prohibited ingredients.
- Works best when given daily.

FURA-SYN™

Fura-Syn™ Liquid Cold Sweat is great as a sweat either by itself or mixed with other ingredients, such as solvent. Safe and effective, Fura-Syn™ does not contain nitrofurazone. Natural essential oils, which provide antibacterial and anti-fungal properties, are infused into a polyglycol base. Fura-Syn™ soothes and protects minor wounds, insect bites, abrasions, scratches and burns while preventing infection.

PASSING GEAR™ SHORTENS RECOVERY TIME FROM 3 DAYS TO 12 HOURS

Specially formulated for performance horses, PASSING GEAR™ is a healthy performance product containing Vitamin B12 and Ribose (component of Adenosine Triphosphate (ATP), and other ingredients to help maintain healthy energy levels throughout an event.

- Helps support stamina, endurance and recovery.
- Promotes healthy energy levels.
- Contains Ribose and B12, which are building blocks of ATP.
- Use two to eight hours prior to competition or race.

MSM™

Research Associates' MSM, or Methylsulfonylmethane, is a high purity grade, large crystal form, for oral supplement used as a source of bio-available sulfur.
